Michael,

If you would please include Gary Wang on future emails, we'd appreciate it! He will be joining, as he's much more knowledgeable on the UIC enforcement side than me.

Thanks!

Tiffany

Dear tribal and state UIC directors:

Greetings from South Dakota! This year the annual Region 8 UIC directors meeting will be in Pierre, South Dakota! See dates, lodging information, and possible agenda items below.

We've been working with Douglas Minter on the agenda—in addition to the perennial agenda items, we'd love to address specific topics of interest to your program. Please let me know if any of the topics listed below sound particularly interesting, or if you have other issues you would like to cover during the meeting.

Please respond to let me know who plans to attend and who won't be able to make it. I'll send additional information later in the year once we finalize the agenda.

I'm looking forward to meeting you in October! Please feel free to call if you have any questions.
